We welcome you to our office and are happy to have the opportunity to treat your medical needs. We pride ourselves on trying to make your medical care and treatment a pleasant experience.

Enclosed you will find the new patient registration packet to bring with you for your appointment. **Please bring all of your medications with you as well as your insurance cards and driver's license (or another picture ID) as we will need these in order to bill your insurance. If you do not have them, you may be asked to pay for your visit and get reimbursed.**

If you have insurance, please expect to pay your copay for a specialist's visit, not for a primary care visit, and any unmet deductible for the year. Payment is expected at time of service. **If you are self-pay**, you can expect to pay \$300.00 to 500.00 for the first visit. If paid in full at the time of service, a 25% discount will be given. If you are not financially able to bring the expected amount, please give our office a call and we will do our best to work with you.

Our office hours are Monday through Thursday from 8:00 a.m. to 5:00 p.m., and Friday, 8:00 a.m. to 12:30 p.m. We are closed for lunch from 12:00 noon to 1:30 p.m.
